City of Salina Curbside Recycling Service

July 2005

Interested in recycling?

City of Salina Curbside Recycling Service

Thank you for considering the City of Salina Curbside Recycling Service. This brochure will help you get acquainted with curbside recycling in Salina.

If you have any questions, please contact General Services at 309-5750.

What is the Curbside Recycling Service?

This City service provides curbside pickup of your recyclable materials for a monthly fee. After collection, your material is transported to Images Recycling Center where it is processed back into the manufacturing sector.

Who is eligible for the Service?

All City Sanitation customers are eligible.

What materials are collected?

- Newspaper
- Magazines
- Mish mosh (*mixed paper*)
- Plastics #1-5
- Plastic bags #2 & 4
- Aluminum cans
- Steel cans
- Brown, clear, and green glass

Due to space constraints, we will not be able to collect blue glass or corrugated cardboard. However, Images Recycling does accept these materials.

This is a top view of a full recycling bin. By using careful packing techniques, the bins can hold a large amount of material. One paper bag can hold newspapers while another can hold mixed papers. Other materials can fit around the sides.

How often will my recyclables be collected?

Your recycling bin will be emptied weekly. Most customers will be serviced on their regular refuse collection day, though some may not due to route balancing.

All recycling bins must be on the curb by 7:00 a.m. on your collection day.

Will I be provided with a recycling bin?

Yes, you will be provided with one 18-gallon recycling bin. Our customers indicated that the size of the bin is large enough to hold most family's weekly recyclable materials.

If you have a large family that generates more material than one bin can hold you may request a second bin at no extra charge.

How much does this service cost?

The service costs \$4.90 per month along with a one-time \$10 activation fee. The monthly charge will be applied to your regular water bill.

What does my monthly fee pay for?

The monthly fee directly covers the operational costs of collecting your recyclables and transporting them to Images Recycling Center for processing.

You make this service possible!

How do I sign up?

You can sign up by calling Water Customer Accounting at 309-5740.

City worker collecting recyclables. By using paper bags inside your recycling bin, organizing materials is easy! The collector will leave your paper bags for you to reuse the following week.
